ZW300 TOUCHSCREEN SMARTLOCK with Delaney's Smart Home Control App

Convenient • Easy to Use • Secure

Delaney Hardware's ZW300 Touchscreen Smartlock offers convenience and security for residential entry doors. Entry is made via touchscreen code, mobile app, or mechanical key. With Delaney's smart home control app, a homeowner can manage who is entering their home from anywhere.

App Features:

- Lock & Unlock Door from Anywhere
- Monitor & Record with Video Camera
- 2-Way Conversation & Siren
- Compatible with any Z-Wave Plus devices.
- Uses Delaney's Z-Wave Camera Bridge hub
